

Full Stack Engineer - Armenia

Description

At Vineti, we create solutions that scale for healthcare. Specifically, we develop software products that help deliver personalized medicines like cures for cancer. This includes creating a service-oriented, auditable, software platform to support multiple client-facing applications in a regulated market. Highly impactful and mission critical!

We're excited to hire a full stack engineer with at least 2 years of experience to join our development team. As an individual contributor, you will be involved with implementing new features in the Backend, Frontend, and Database of a mission-critical application.

We work primarily with JavaScript, React, Ruby on Rails, PostgreSQL, on top of AWS services.

We're looking for strong web developers with experience in JavaScript, SQL and related MVC technologies (Python, PHP, Java, .Net) who are excited to learn on the job!

What You'll Be Doing:

- Build Rails based services to support user-facing applications
- Build React based apps that rely on REST-ful APIs
- Write unit and integration tests
- Work closely with product managers and designers

The Following Experience and Skills are Important To Us:

- Well-rounded engineer
- Experience in Front-end with JS and JS frameworks
- Experience with back-end MVC frameworks
- Familiarity with Databases and SQL
- 2+ years of software engineering experience
- Care deeply about your work and about the success of your projects
- Able to consistently deliver high-quality code
- Communication skills and a team mindset

Bonus Skills:

- Experience with back-end frameworks: Ruby on Rails
- Experience with front-end frameworks: Angular, Ember, React, Backbone
- Degree in Computer Science or a related field

Company Culture and Benefits:

- Mission-driven and passionate about making things that matter in healthcare and solving complex problems in personalized medicine
- Fast growing company backed by major investors
- Opportunities for growth
- Competitive Salary
- Benefits package (Gym Subscription, etc.)
- Premium medical insurance

Application Procedure:

All interested candidates are welcome to send their CVs to info.armenia@vineti.com and career@rau.am or apply via the following link: <https://bit.ly/vinetiDeveloper>.
